

## **COLOR IN QUILTING**

**3 hour class - All levels**

### **Materials List**

Is color choice difficult for you? In this 1/2 day class, we will explore simple color theory as it relates to quilting. The class will begin with a short lecture on what makes an effective quilt, combining design, color, texture, contrast and value.

Students work through a variety of exercises which will stretch the imagination. This popular class features lots of student interaction as we play with fabric! No sewing machine, and no UFO to take home! Appropriate for all skill levels.

There is a \$8.00 workbook and kit fee for this class. The kit includes workbook and fabrics.

Glue Stick

Scissors

4" square ruler

Rotary cutter and small cutting mat
